Welcome to the Southport Croquet Club. This tournament promises some exciting action as players are gaining a higher standard of technique and strategies. Good sportsmanship to all.

Bruce McAlister
Tournament Manager

G'day Gateballers and 'Welcome to Southport Croquet Club' for the State Gateball Championship 2013.

We cannot control the weather but do hope it will be kind to us all during your stay on the Gold Coast.

As you can see, work for the Gold Coast Light Rail Project continues in the area surrounding the Club and indeed, throughout Southport. Therefore, there, maybe some challenge in finding a place to park your car in Queen Street. You are invited to use the car park at the Bowls Club (just across Ada Bell Way) at no charge.

Members of our Club will be on hand to keep you well 'fed and watered' during the event and to make your visit as pleasant as possible. Please enjoy our hospitality.

Again, welcome to Southport Croquet Club. Please accept my best wishes for a successful Gateball competition and the accompanying camaraderie.

Jim Northcott
Venue Manager

SOUTHPORT HISTORY

The State Championships were first held in 2005 at Ipswich and have been played annually at different venues in the metropolitan area of Brisbane, as well as regional Queensland. This is the second time that Southport Croquet Club has hosted the Championship. The first time they were held at Southport was in 2009. Since then we have had the lawns reconfigured due to the building of the light rail system.

Gateball has been played at Southport since 2007 and the first Southport tournament was held as part of the Winter Carnival - Mallet Sports on the Broadwater in 2008 with 9 teams competing. At subsequent Gateball tournaments teams have come from interstate, overseas example India and Japan as well as from all over Queensland.

Gateball is a team game for all. One of the most gratifying parts of a Gateball team is that it can include players of all ages. A number of Queensland teams have young people playing and in some cases fathers and sons or other family members. In 2012 Southport sent a team to the Asian Games in Macau and with players ranging in ages from 12 to 84.

Travelling to various venues and meeting others and playing competitively is all part of enjoying the wider Gateball Community.

Fashion with purpose: The uncomfortable and immobilising high-heeled shoe may be a fashion item today, but it once had an important use. Middle-eastern people used them to relieve their feet from hot desert sand.

Fast dive: The peregrine falcon is a very fast bird. During a dive when hunting, it can reach a speed of 320km per hour. Peregrines hunt small birds, including pigeons and songbirds.
