GUIDE FOR REFEREES

After the toss, mark the side selected by the team winning the toss with a check mark.

When a substitution is notified, confirm the substituting player and note his/her playing order and the number of substitution(s) for that playing order.

Put a check mark on the final stroker's number before game set.

Confirm the captain and indicate this with a 'O' around the playing order.

When a substitute is confirmed, indicate this with a line, and if more than one substitute is made in one position, state so in the 'Remarks' column.

If a linesman is used, state so in the "Remarks" column.

Number of games to be played.

Check off one number each time the "Ichiban" first stroker is called.

Ball stops on Gate Line, the Recorder enters a small circle inside the box [upper left] in the score check

If the outer edge of the ball which has been entered into the record with a O then moves away from the gate line, a horizontal line is drawn through the O symbol.

Number of the current game.
