Game refereed & reviewed,

Event, Date, Teams, Role (CR, AR) Should be a game with 2 referees.

Self review

(What you think you did well or not so well, what improvements can you make?)

Referee feedback

(Feedback and signature of another ACA accredited referee or you State Coordinator of Refereeing)

Were you in position or able to arrive in position when the call to stroke was made made by the CR?

On every play were you either in position or able to arrive in position to decide on a play or decide on the movement of the ball?

Did you use the appropriate hand signals and calls?
