

Duties of the Linesperson

According to the Official Gateball Rules 2019 Chapter 7 Referees, Article 23 Referees.

Clause 7 Duties of the Linesperson [page 33]. **And Section VI** [page 90]

1. Inspect the ground.
2. Assist and advise the chief referee and assistant referee in their decisions, announcement, calls and implementation of measures.
3. The linesperson who realises that a referee error has taken place immediately advises and assists that referee.
4. Decide on and announce out-balls. Place the balls in an appropriate position, with the number facing the inner field.
5. When asked to temporarily remove an out-ball, prior to moving the out-ball, the out-ball is to be marked with a corresponding colour marker [red or white].
6. Give warnings to a manager or player who does not comply with the essential rules governing the manager and players.

According to the Official Gateball Rules 2019 Section VI, Linesperson.

Part 2 Location of the Linesperson [page 90].

1. In principle, the linesperson shall be positioned in the outer field.
 - 1) The position shall be one in which the progression of the game can be easily confirmed.
 - 2) Depending on the situation, the linesperson advises and assists the chief referee and assistant referee in the inner field.
